USPA NEWS - Imran Khan Paid a Catastrophic Price for Lt. Gen. Faiz Hameed

The unprecedented and civil pandemonium and turmoil unleased on Pakistan by the external and internal dark forces, was primarily to stop the former DG ISI General Faiz Hameed from becoming the next chief of army staff of Pakistan at the end of this year, said Shazada Hayat President UICF (UK) and international community welfare campaigner.

The former Prime Minister of Pakistan Imran Khan has been made to face the consequence for commending and trying to reward the outstanding success and achievement of DG ISI General Faiz Hameed. The former prime minister was so proud and overwhelmed by the outstanding and phenomenal achievement of General Faiz Hameed when he was head of Pakistan's Inter-Service Intelligence (The ISI). The then Prime Minister Imran Khan expressed his desire to give an extension to General Faiz Hameed to continue as the chief of the ISI.

The Chief of the Pakistan Army Staff General Qamar Javed Bajwa told the then Prime Minister Imran Khan that the Pakistan army has its own traditions, procedures and set of rules which they follow for the posting of the officers in the Pakistan military accordingly. Prime Minister Imran Khan was disappointed and reluctantly accepted the army chief's advice and decision and instead was looking forward to appointing the then DG ISI General Faiz Hameed as the next chief of army staff of Pakistan, when the current chief was to step down in November this year. The stance taken by Prime Minister Imran Khan at the time caused resentment and dread by the enemies of Pakistan, as they were aware of the amazing talent and military command of General Faiz Hameed. Also, naturally it upset some of Pakistan's army corps commanders, who felt that the decision of Prime Minister Imran Khan was a foregone conclusion and their chance and opportunity of being the head of Pakistan army has diminished.

The other thing that angered various stakeholders and the United States was Prime Minister Imran Khan's refusal to give military bases in Pakistan to carry out drone attacks. In the famous words of the then Prime Minister Imran Khan when he said, "Absolutely not!" The United States, Britain and Europe were not very happy at the visit of the prime minister of Pakistan Imran Khan to Moscow. Also, DG ISI General Faiz Hameed visiting Afghanistan immediately after the US pulled out of Afghanistan. These actions and Pakistan foreign policy became intolerable by the stakeholders and the enemies of Pakistan. It was then decided the prime minister of Pakistan has to go at any cost. Plans were made and hatched for the demise of Prime Minister Imran Khan with vengeance to remove him and his PTI government out of power,
said Shazada Hayat.

At present there are 27 lieutenant generals in Pakistan army, General Faiz Hameed being one of them. The top ten of these elite commanders are more than qualified to be appointed as Pakistan's army chief. The enemies of Pakistan and other stakeholders are fully aware of this fact. In terms of Lieutenant General Faiz Hameed, the world has witnessed and seen what a formidable spymaster and an outstanding commander he was during the time he was the head of Pakistan's ISI. General Faiz Hameed defended and protected Pakistan from the all-out adversities and covert and overt attacks against Pakistan nationally and internationally. The phenomenal achievement of the then DG ISI General Faiz Hameed speaks volumes.
Prime Minister Narendra Modi of India ordered his air force to carry out a surprise air strike against Pakistan in March 2019, when the surprise attack was launched by the
Indian air force the Pakistan air force lay in waiting and took to the skies and shot down two Indian fighter jets out of the sky. One of the Indian pilots was captured.

The credit for this amazing success, as well as the Pakistan air force, also goes to General Faiz Hameed and the military intelligence service of Pakistan. The second phenomenal success of DG ISI Faiz Hameed was when President Donald Trump of United States and Prime Minister of Israel Benjamin Netanyahu were preparing and encouraging Saudi Arabia to go into a full-scale war with Iran. Both Iran and Saudi Arabia were on red alert ready for war. A rogue missile was to be fired from the sea, by an anonymous dark force,

at Saudi Arabia and blame this on Iran. This would have triggered a war between Iran and Saudi Arabia engulfing the entire Middle East, which would have meant millions of Muslim lives lost, destruction and damage of trillions of dollars that would have taken Iran, Middle East and the Muslim world back to the Dark Ages and may have led to World War Three. DG ISI General Faiz Hameed alerted Iran and Saudi Arabia of the sinister plan to engage them in a destructive war and exposed the conspiracy and plan.

Thus, General Faiz Hameed and Pakistan ISI managed to deescalate the tension and standoff between Iran and Saudi Arabia, which avoided destruction and calamity in the Middle East. This naturally infuriated President Donald Trump of United States and Israeli Prime Minister Benjamin Netanyahu who held Pakistan's DG ISI General Faiz Hameed responsible for the failure of their plan, said Shazada Hayat.
The third phenomenal success of DG ISI General Faiz Hameed was when he took head on the fifth-generation hybrid war declared against Pakistan by the international spy agencies. This hybrid war was to destroy Pakistan from within and externally with fake news and negative propaganda and to infiltrate the infrastructure of Pakistan, by ploughing in millions of dollars to destabilise Pakistan and create anarchy.

DG ISI General Faiz Hammed was very successful in preventing this and was victorious again and again to the misery of the foreign intelligence services. As a result of the outstanding and phenomenal victories achieved by DG ISI General Faiz Hameed the enemies of Pakistan joined forces to do all that it takes to stop and prevent Lt. Gen. Faiz Hameed from becoming the next army chief of staff of Pakistan. As a result, the foreign intelligence service have embarked on a mission and plan code name, "Stop the Sultan." By this they meant to stop the reincarnation of Sultan Salahuddin Ayyubi heading Pakistan's armed forces.

This was the main and fundamental reason Prime Minister Imran Khan had to be removed as the enemies of Pakistan could not stomach the General Faiz Hameed and Imran Khan partnership at the wicket. It was nothing to do with the price of tomatoes, potatoes, onions or chicken being too high or the price of petrol and diesel going up.

This fact was proven when on Sunday 10 April 2022 millions of Pakistanis jammed the capital of Pakistan, Islamabad, Peshawar, Lahore, Karachi and similarly the overseas Pakistani community spilled out into UK, Europe, America and the Middle East to protest and demonstrate as to what has happened to Pakistan and Prime Minister Imran Khan. These types of public demonstrations have only ever before been witnessed during the times of the Shah of Iran, Turkey and Egypt, which are signs of a revolution. The Pakistani nation has been hurt at the fact of the interference of foreign powers being able to remove a prime minister of Pakistan, whether it be Imran Khan, Nawaz Sharif, Mohtarma Benazir Bhutto, Zulfikar Ali Bhutto or Liaquat Ali Khan, which can no longer be tolerated by the Pakistani nation. said Shazada Hayat.

The intentions of the enemies of Pakistan is to see the Pakistani public and its army fighting a civil war, which must never be allowed to take place, as the Pakistani patriotic public and the Pakistan armed forces are one and the same. The Pakistan public are fully aware that the Pakistan armed forces are the nation's greatest defenders, who have and are prepared to lay down their lives for their beloved motherland Pakistan. If it is the will of Allah (God) that Lt. Gen. Faiz Hameed will be the next Pakistan army chief of staff, then no power on this planet will be able to prevent this. We the patriotic overseas Pakistani community and the Pakistani nation may tolerate many things, but we will not tolerate any foreign intervention in Pakistan, especially when it comes to the national interest and national security of Pakistan. The Pakistani nation will always uphold and cherish the golden words of Quaid-E-Azam Muhammad Ali Jinnah the founder of Pakistan when he said, "There is no power on earth that can undo Pakistan",

said Shazada Hayat.
